DEFENDANTS

MOTION FOR CIVIL INJUNCTION 18U.S. Code § 1595A

Claimant, Gary-louis: Berry moves this Honorable Court for an injunction against Defendants for the following stated reason:

1. Claimant has received about 15 citations for the same issue that is before this Court.
2. Claimant last traffic stop July 21st 2021, the officer Joshua Loos-DNS11760 tactic of subtle intimidation and disregard of Claimant's Rights in his statement, that my lawsuit will be dismiss
3. Defendants are trying to force me into a fraudulent transaction and contract. (Slavery)
4. Claimant fear that these illegal traffics will only escalate into serious injury or kidnapping or death due to my exercising my Rights.

The illegal traffic stop December 16th 2019 was not base on any traffic infraction or suspicious activity but simply the Declaration on my automobile period. Terry v Ohio 392 U.S 1 88 S.ct. I was not armed

or combative nor posed a threat to any one including the officers. They did so because they could and if I resist, then they have caused to cause serious injury or death.

Wherefore Claimant requires that this Honorable Court will grant an injunction against Defendants from further interaction with Claimant when in his automobile, from issuing citations, false arrest, intimidation, warrants.

I have reserved all my Rights for all new actions against me from the Defendants being traffic stops, threats, intimidation, harassment, warrants and kidnapping (false arrest)

Affirmation I declare under penalty of perjury under the laws of the Republic where I live but do not maintain a domicile and from without the "United States" defined in 28 U.S.C. §1603 (c) and 26 U.S.C. §7701(a)(10) and only when litigated under the following conditions that the facts, exhibits, and statements made by in this and the attached pleading by me are true, correct, and complete to the best of my knowledge and ability in accordance with 28 U.S.C. §1746 (1).
